"My husband and I got married at Electric Mountain Lodge and we are forever grateful we did! The views here are breathtaking and our pictures capture every ounce of this mountain beauty. They have many cabins of various sizes so our families were all able to stay with us throughout the wedding weekend without the worry of having to leave. Frequently Asked Questions

Food and Beverage

Q: Do you provide catering services?

A. We **do not**. While limited add-ons are available, we do not provide full catering, but have a list of recommended caterers.

Q: Can we bring our own alcohol?

A. **No**. Our Lodge, Bunkhouse and patio spaces are all covered under our liquor license and as such, we cannot allow any outside alcohol. If you have a special beverage request, please let us know and we can procure it for you.

Lodging

Q: Do we have to pay for the cabin rentals?

A: **No**. While you are welcome to cover the cost of any or all of the cabins for your guests, we can also hold our cabins for guests to call in and book separately, much like a standard hotel. However, any cabins not rented are required to be booked by our couples.

Q: Can we add on cabin rentals before or after our event?

A: **Yes!** There is no minimum cabin rentals for the days surrounding your event, though the event fee applies if you are expecting exclusive use of the property.

EML Services

Q. Can we hold a winter wedding?

A. Yes! Winter is gorgeous on the Grand Mesa, however, in the snow the roads do require snowmobiles or other tracked vehicles.

Alternately, a helicopter can be rented to shuttle guests.

Q. What is the smallest wedding you can accommodate?

A. You are welcome to have as few guests as you prefer, but during our summer high season (Memorial Day to Labor Day) we do require full buyouts of our cabins. During our public season, you are welcome to host a smaller wedding without buying out the property, but **would not** have exclusive use of the property.

Q. Can my dog be part of the ceremony?

A. Yes! Our property is pet friendly, so your four-legged friends are welcome guests and can join outdoor ceremonies. However they **cannot** be in any public areas where food is served (the Lodge, the Bunkhouse, the patios).

Vendors

Q. Do I have to use your preferred vendors?

A: No. You may use any vendors of your choosing, however we require your vendors to be licensed and insured. If they are not, we require the couple to purchase special event liability insurance with a minimum \$1 million premium.

Q. When can our vendors set up?

A. Your vendors are welcome to arrive up to 4 hours prior to the event or by 12pm, whichever is earlier. For rentals that may need to be set up earlier, such as a tent rental, there may be a charge for early access.
