

A wedding couple is shown in a romantic embrace, kissing in a grassy field. The bride is wearing a white lace wedding dress with a long veil, and the groom is in a grey suit. They are positioned in front of a large, rustic wooden arch. A bouquet of red and white flowers hangs from the top left of the arch. The background features a line of green trees and distant, hazy mountains under a clear sky.

# Frequently Asked Questions

**Q:** *Do you offer winter weddings?*

**A:** Yes! Winter is gorgeous on the Grand Mesa, however, the presence of snow requires some additional pre-planning. Snowmobiles or other tracked vehicles are required to access the lodge. Transportation is available upon request.

**Q:** *What are the smallest and largest weddings you can accommodate?*

**A:** You are welcome to have as few guests as you want for indoor or outdoor weddings. For outdoor weddings, we can accommodate an unlimited number of guests out on the grounds. For indoor weddings, we can accommodate up to 100 guests under roof without the need to also utilize custom tenting options (which are available through Park Avenue Parties). See page 4 for additional guest count breakdowns.

**Q:** *Do I have to use your preferred vendors?*

**A:** No. You may use any vendor of your choosing, however, we require your vendors to provide paperwork proving they are licensed and insured. If they are not, couples are required to purchase special event liability insurance with a minimum \$1 million premium.

**Q:** *When can our vendors set up?*

**A:** Your vendors are welcome to arrive up to 4 hours prior to the event or by 11am, whichever is earlier. For events that may require earlier vendor access, such as tent rentals, there may be a charge for early access.

**Q:** *Do you provide catering services?*

**A:** We work with a number of local area caterers, offering everything from simple buffet options to luxurious plated meals, to help you create the wedding of your dreams.

# Frequently Asked Questions

## Venue Rules

**Q:** *Can we provide our own food or alcohol?*

**A:** No. All public spaces at Electric Mountain Lodge are all regulated by our state liquor and Health Department licenses. As such, we cannot allow any outside alcohol or non-catered food in these areas. If you have a special beverage request, please let us know and we can procure it for you. Food provided by pre-approved licensed caterers is permitted.

**Q:** *Do we have to pay for our guest's cabins?*

**A:** No. While you are welcome to cover the cost of any or all of the cabins for your guests, guests are welcome to call in and book their cabin individually, much like a standard hotel.

**Q:** *Can we add on cabin rentals for dates before or after our event?*

**A:** Yes! There is no requirement for cabins to be rented on any days before or after your event, though availability is not guaranteed outside of a Property Buyout With Cabin Rentals.

**Q:** *Can my dog be part of the ceremony?*

**A:** Yes! Our property is pet friendly, so your four-legged friends are welcome. However they cannot be in any public areas where food is served including the main lodge, bunkhouse, and patios.

**Q:** *Is the property ADA accessible?*

**A:** Yes! Our ADA accessible cabin is Cabin 9. Both our main lodge and our Bunkhouse have ADA accessible bathrooms, and all of our walkways are lined with gravel to ensure ease of getting around.
