Frequently Asked Questions

GENERAL QUESTIONS

Q: What do I need to reserve the Lodge for my requested event date?

A: We require signature of our Venue Rental Contract and payment of any venue rental fees in full in order to reserve the Lodge for your requested date.

Q: Do you offer tours of the property?

A: We offer in-person and virtual tours of the property. Tour times and dates are subject to availability and season. Not all areas of the property may be available for viewing during all tours. Tours can be scheduled by contacting our Events Coordinator.

Q: What are the smallest and largest events you can accommodate?

A: We have no minimum guest count. For outdoor events, we can accommodate up to 300 guests out on the grounds. For indoor events, we can accommodate up to 100 guests without the need to utilize covered outdoor space or custom tenting options (which are available through our vendor partner, Park Avenue Parties).

Q: Do you offer winter events?

A: Yes! Winter is gorgeous on the Grand Mesa, however, the presence of snow requires some additional pre-planning. Snowmobiles or other tracked vehicles are required to access the Lodge. Transportation is available upon request and must be scheduled in advance.

Q: What services does your Event Coordinator provide?

A: Our Event Coordinator is there to help with all things venue-related, including answering questions, contract signing, coordinating meetings with other staff members, and day-of support.

Q: How many days are included in your venue and cabin rental prices?

A: Half day pricing is for up to four hours, full day pricing is for up to eight hours, and full venue buyouts are 24 hours. Cabin prices reflect one overnight stay.

Q: Can we add on cabin rentals for dates before or after our event?

A: Yes! While there is no requirement for cabins to be rented on any days before or after your event, you may rent as few or as many as needed. Please note that cabin availability is not guaranteed outside of a cabin block, which can be requested. Terms and conditions apply.

Q: What equipment is provided as part of space or full venue rentals?

A: We provide thirteen round tables and 104 chairs. For linens, a/v, and other event equipment, we recommend utilizing our local vendor partner, Park Avenue Parties.

Frequently Asked Questions

VENUE RULES & ALLOWANCES

Q: Can we provide our own food or alcohol?

A: No. All public spaces at Electric Mountain Lodge are all regulated by our state liquor and Health Department licenses. As such, we cannot allow any outside alcohol or non-catered food in these areas. If you have a special beverage request, please let us know and we can procure it for you. Food provided by pre-approved licensed caterers is permitted.

Q: Do we have to pay for our attendees cabins?

A: No. While you are welcome to cover the cost of any or all of the cabins for your attendees, they are welcome to call in and book their cabin individually, much like a standard hotel.

Q: Are dogs permitted the property?

A: Yes! Our property is pet-friendly, so your four-legged friends are welcome. However they cannot be in any public areas where food is served including the main lodge, Event Center, and patios. We respect registered service animals.

Q: Is the property ADA accessible?

A: Yes! Our ADA accessible cabin is Cabin 9. Both our main lodge and our Event Center have ADA accessible bathrooms, and all of our walkways are lined with gravel to ensure ease of getting around.

Q: When is access start and end times?

A: Access times vary by space rented and type of event. For more information, please inquire with the Events Coordinator.

Q: What time is cabin check in and check out?

A: Cabin check in is at 4pm and check out is at 11am. Earlier access may be possible, but not guaranteed and is subject to availability. If you need access to any cabins earlier than the standard check in time, you will need to rent those specific cabins starting on the date preceding your event to guarantee the access you need.

Q: Do I have to use your preferred vendors?

A: No. You may use any vendor of your choosing, however, we require your vendors to provide paperwork proving they are licensed and insured. Required paperwork varies by vendor type.
